

SABERT TAMPER-RESISTANT PACKAGING

Advanced Security with SureHinge™ Technology

SUREHINGE™ TAMPER- RESISTANT RECTANGLES

SUREHINGE™ from Sabert is the premier packaging choice for merchandising fresh food in a secure & aesthetically pleasing way.

SUREHINGE™ packaging offers you and your customers protection from intentional and unintentional tampering, so you can rest assured no one else handles your food before it's purchased.

SUREHINGE™ technology helps to protect your food without additional resources needed for shrink bands, labor and waste from foods being exposed to heat tunnels.²

MORE SECURE, NO WASTE

SUREHINGE™ Technology: Our audible snap and lift technology lets consumers know if your containers have been opened or are closed

No Waste: SUREHINGE™ offers consumers the security of tamper-resistance, without having to worry about having excess plastic waste strips, once when the container has been opened

TOP ATTRIBUTES FOR PRODUCT SAFETY¹
