

**DELIVER A GREAT
IMPRESSION WITH THE
RIGHT PACKAGING**

 **Sabert®**
® makes food look great®

SATISFACTION, DELIVERED

With more Americans eating on the go, quality packaging seals the deal for a great experience. In fact, 1 out of 3 patrons rarely return to restaurants if their delivered meal arrives soggy or spilled. Here are **4** key points to consider when choosing the right delivery packaging:

THINK SABERT!

We bring to the table more than 30 years of expertise in providing the foodservice industry with disposable packaging innovations. Sabert's diverse portfolio of delivery solutions is designed based on real-world consumer insights and includes:

- Wide variety of features, forms and functions
 - Options that are great for any food type
- Advanced materials tested to perform for delivery
 - Versatile lids, bases and sizes

Sabert helps make sure your delivered food maintains the same quality your customers expect when dining in house. Our robust, high-impact packaging is designed to protect and preserve the quality, taste and appearance of your menu items, helping you increase profit and revenue.

CHOOSE THE RIGHT PACKAGING

Our innovative designs and suggested pairings are based on what works best for operators and their customers.

ENTRÉES

Applications: Hot and cold entrées **Available varieties:** Pulp, PP and PET options in a variety of shapes and sizes

Benefits: Perfectly suited for nearly any hot or cold food your chef creates

SALADS

Applications: Salad, fruit, vegetables

Available varieties: 8-64 oz. capacity in PET, PP or Pulp varieties with lid options including flat, low dome, high dome, spork lid and tamper evident

Benefits: Leak resistant, stackable, recyclable and compostable, perfect for merchandising

SANDWICHES/SNACKS

Applications: Hot and cold sandwiches and snacks

Available varieties: Sandwich or snack solutions, with hinged and compartmental options

Benefits: Versatile packaging for on-the-go lifestyles

APPETIZERS/DESSERTS

Applications: Hot or cold appetizers and bakery items

Available varieties: Two-piece containers in PP, Pulp, and PET options with multiple lid choices and hinged options suited for a variety of food applications

Benefits: Appetizer containers withstand medium to high temps, while bakery containers are designed to display
